WYTE STUDIO

Creative Agency

Wyte Studio is a design-led creative and marketing studio working across branding, digital, content and marketing.

We combine strategy, aesthetics and execution to create brands and experiences that don't simply exist in the market — they stand out in it.

About us

Wyte Studio brings together branding, art direction, digital development, content production, social media and marketing under one creative direction. We work with businesses that understand that perception matters - from the way a brand looks, to how it communicates, launches, performs and evolves.

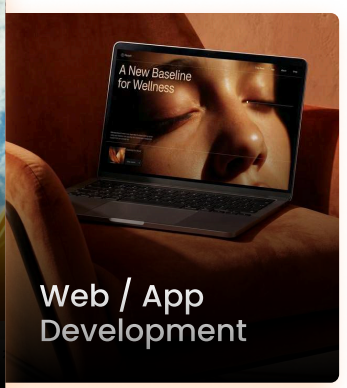
A creative studio for your brand



Branding & Art Direction

We build identities that give brands a recognizable point of view. From strategy and naming to visual identity, art direction and brand systems, we create brands designed to remain consistent, recognizable and relevant across every touchpoint.

CAPABILITIES

- Brand Strategy
- Naming & Positioning
- Logo & Identity Systems
- Visual Language
- Brand Guidelines
- Art Direction
- Campaign Identity
- Packaging & Application

Social Media Management

We build social ecosystems that combine strategy, creative direction, content and consistency. From monthly content planning to campaign concepts, static design, Reels, copywriting and community direction, we turn social channels into an extension of the brand.

CAPABILITIES

- Social Strategy
- Content Planning
- Creative Direction
- Static Design
- Reels & Short-form
- Copywriting
- Campaigns
- Community Management

Web / App Development

We design and develop websites and digital products that combine aesthetics, usability and performance. From websites and landing pages to applications and digital platforms, we translate brand identity into functional digital experiences.

CAPABILITIES

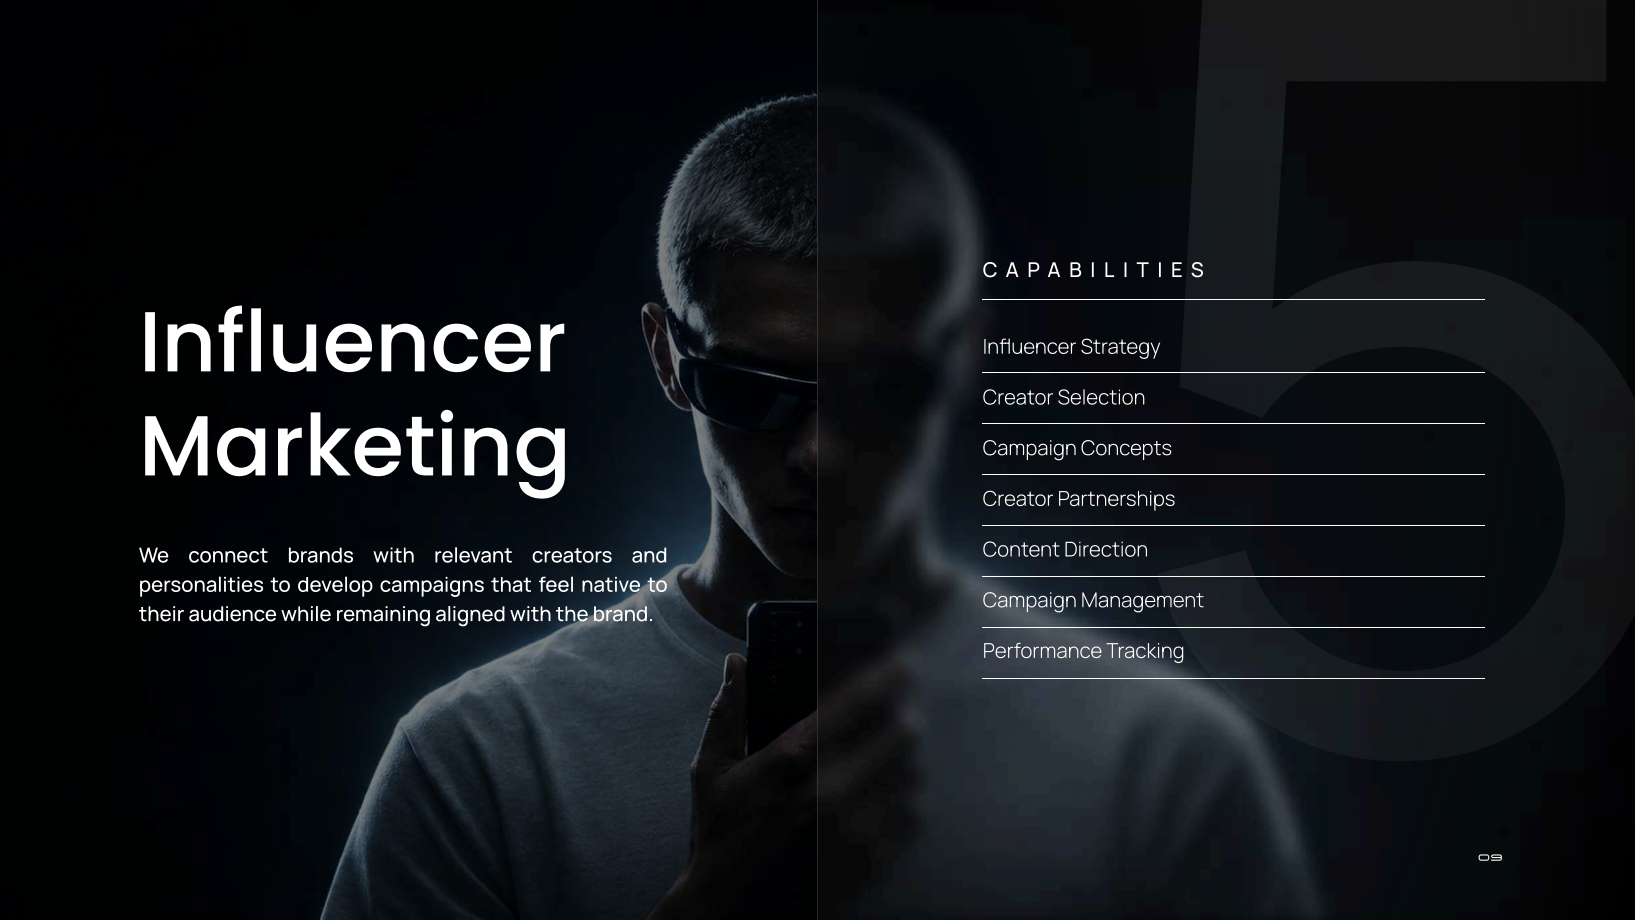
- Website Design
- UI / UX
- Landing Pages
- Web Development
- Application Design
- Application Development
- E-commerce
- Interactive Experiences

Content & Production

We create content from concept to final frame. Our production capabilities cover creative concept development, scripting, art direction, photography, videography, editing, motion and campaign production.

CAPABILITIES

- Creative Concept
- Script Development
- Art Direction
- Photography
- Videography
- Video Editing
- Motion Graphics
- Brand Films



Influencer Marketing

We connect brands with relevant creators and personalities to develop campaigns that feel native to their audience while remaining aligned with the brand.

CAPABILITIES

- Influencer Strategy
- Creator Selection
- Campaign Concepts
- Creator Partnerships
- Content Direction
- Campaign Management
- Performance Tracking

Digital / Offline Marketing

We create campaigns that live beyond the screen. From paid digital campaigns and social advertising to billboards, outdoor media, launches and integrated campaigns, Wyte connects creative thinking with real-world visibility.

CAPABILITIES

- Digital Campaigns
- Meta Advertising
- Google Advertising
- Lead Generation
- Outdoor Advertising
- Billboards
- Print & Collateral
- Integrated Marketing

PROJECT

Hane Patissèrie

INDUSTRY

F&B

SERVICES

Branding & Art Direction

Hane Patisserie is a premium dessert brand specialising in indulgent, high-quality tiramisu. We developed the brand's initial visual identity, including logo design, establishing a refined and elegant aesthetic that reflects the craftsmanship, richness, and sophistication of its signature desserts.

PROJECT

Learnit

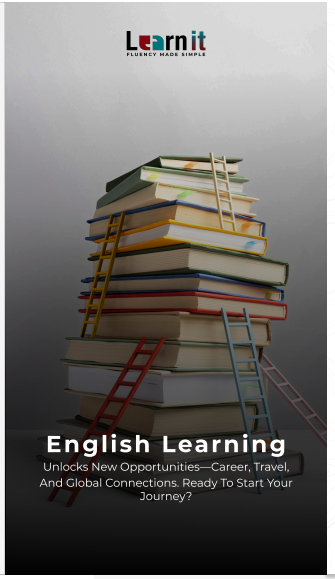
INDUSTRY

EDUCATION

SERVICES

Logo design / Branding

Learn It – Oman is an e-learning platform dedicated to helping learners improve their English language skills through accessible and engaging digital education. We developed the initial branding and logo design, creating a modern, approachable visual identity that reflects learning, communication, and personal growth.



PROJECT

True trader

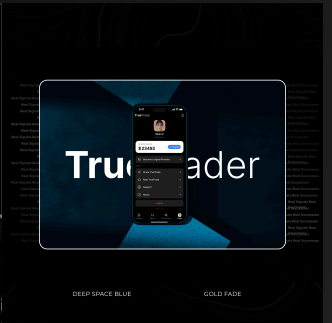
INDUSTRY

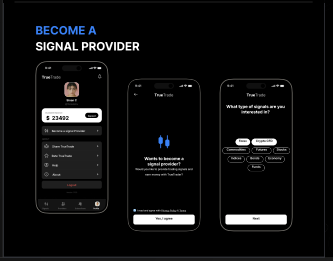
TRADING

SERVICES

Application UI/UX - Design

True Trader is a trading company focused on delivering a seamless and intuitive digital trading experience. We designed the application's UI/UX, creating a modern, user-friendly interface that prioritises usability, clear navigation, and an efficient user journey across the platform.





PROJECT

Dream Gold

INDUSTRY

SPORTING

SERVICES

Branding & SMM

Dream Gold is a sports-focused brand dedicated to building a strong presence in the sporting industry. We developed its branding and managed social media marketing, creating a distinctive visual identity and engaging digital content to strengthen brand recognition and connect with its target audience.
